28 April 1952

Dear Mr. Vertrees:

Thank you for your interesting letter of April 26.
We are sorry that you cannot attend the ceremony but
understand that the distance would preclude this.

There will be no election at the Hall of Fame now until
1955. In 1954 the nominations for that election will
open and at that time I would suggest that you present
the name of Mr. George Washington Julian, of Indiana.
As for Roger Williams, we are happy to tell you that he
has been honored in the Hall of Fame for many years.

In another envelope, we are taking the liberty of sending
you some documentary material relating to the Colonnade,
which will give you our rules for election and a complete
list of those honored to date.

Cordially yours,

Bertha L. Lyons (Mrs. N.)

Mr. Herbert Harvey Vertrees,
President
The American National Patriotic Society
130 West Jefferson Street
Pittsfield, Illinois.
